

Insufficient Quantity:

All drug screens should be "Split Specimens" unless your supervisor has OK'd a "Single Specimen"

- 1) If you don't get at least 45ml of urine , toss urine in toilet.
- 2) Start a "Shy Bladder log"
- 3) Follow "Shy Bladder" procedures

Do not bag up insufficient quantity.

Do not start a new COC

This is the **ONLY** time you can toss a specimen!!!
